

THE HOME RANGE OPEN

FIFTH INTERNATIONALE ONLINE AIR RIFLE AND PISTOL COMPETITIONS

Date: 15.10.2026-31.3.2027.

**TO ALL ISSF, ESC MEMBER ORGANIZATIONS AND SHOOTING CLUBS
in NSSF**

Dear Shooting Leaders and Shooting Friends, We hereby invite you all to a new season of the Home Range Open (HRO). We have completed four successful seasons of home range shooting, and we are grateful for the support and participation of our supporters and participants over these four years. This support has provided us with the framework and additional equipment for our indoor 10-meter and 50-meter tracks—something we didn't think was possible, but now look forward to developing further. We are truly grateful for this opportunity to enhance sports shooting in our local club. We have now completed 100 rounds of the Home Range Open. Since the onset of the COVID-19 period, more than 45,000 competition shots have been fired, distributed among air rifles and .22 LR. We have contributed to everyone's motivation and improvement, and it has been rewarding to witness international victories among those who have participated. Due to the positive response, we are ready with a new edition of the Home Range Open competition, and we are pleased to announce that we have secured a sponsor for the main prizes. We are delighted to invite federations and clubs to participate in the III International Air Rifle and Pistol Competitions, which will be held online from October 15, 2026, to 18. March 2027. Please check the attached details and general information on our website: <https://www.homerangeopen.com>. We kindly ask that you send your final paid registration confirmation by September 30, 2025, at the latest, for participation in 10 rounds. Please note that we do not accept payment for individual rounds via Vipps. We look forward to your participation and warmly welcome you to the Home Range Open.

Best regards,
Arne Morten Nyfløt
Chairman of the Competition

Arne Morten Nyfløt
